SPECIAL NOTE TO BIDDER:

Unit costs on abutting township lines shall be equal to pro-rated cost of the two township prices. Please bear in mind that the County Road Commission may order and require specified quantities of crushed limestone to be placed in a particular area of the county on a specific date, whereby the successful bidder may be given only a few days notice prior to expected delivery of material. In general crushed limestone orders are placed May through December and the majority is spread directly on the roads.

Also, availability of V-Bottoms for on road materials will be considered when awarding of bids.
