Art Buck recommended awarding to low bidder. Bolle Contracting expertise is in demo and cleanup.

Commissioner Hyatt commented successful bidder must be able to complete during time frame scheduled and staff should inspect project for completion before contractor moves to next project.

Justin Hartman of 24/7 Tree Service commented his company could complete project without putting anyone in the water and eliminating the possibility of personal injury.

Mitchell Boyce inquired about penalties regarding completion of project.

Jon Myers stated payment would be withheld and project would be awarded to second bidder.

Deaun Deshano owns house next to Curtis Road Bridge and stated 24/7 has already stepped up to help with debris removal in other areas and highly recommends them.

Moved by Commissioner Kloha and seconded by Commissioner Hyatt to accept low bid from Bolle Contracting in the amount of \$35,750.00 to remove debris from the bridges.

Roll Call.
